

FLUXTM

INNOVATION
LOUNGE

Information Pack 2023

Powered by **ENGAGETM**
WORKS

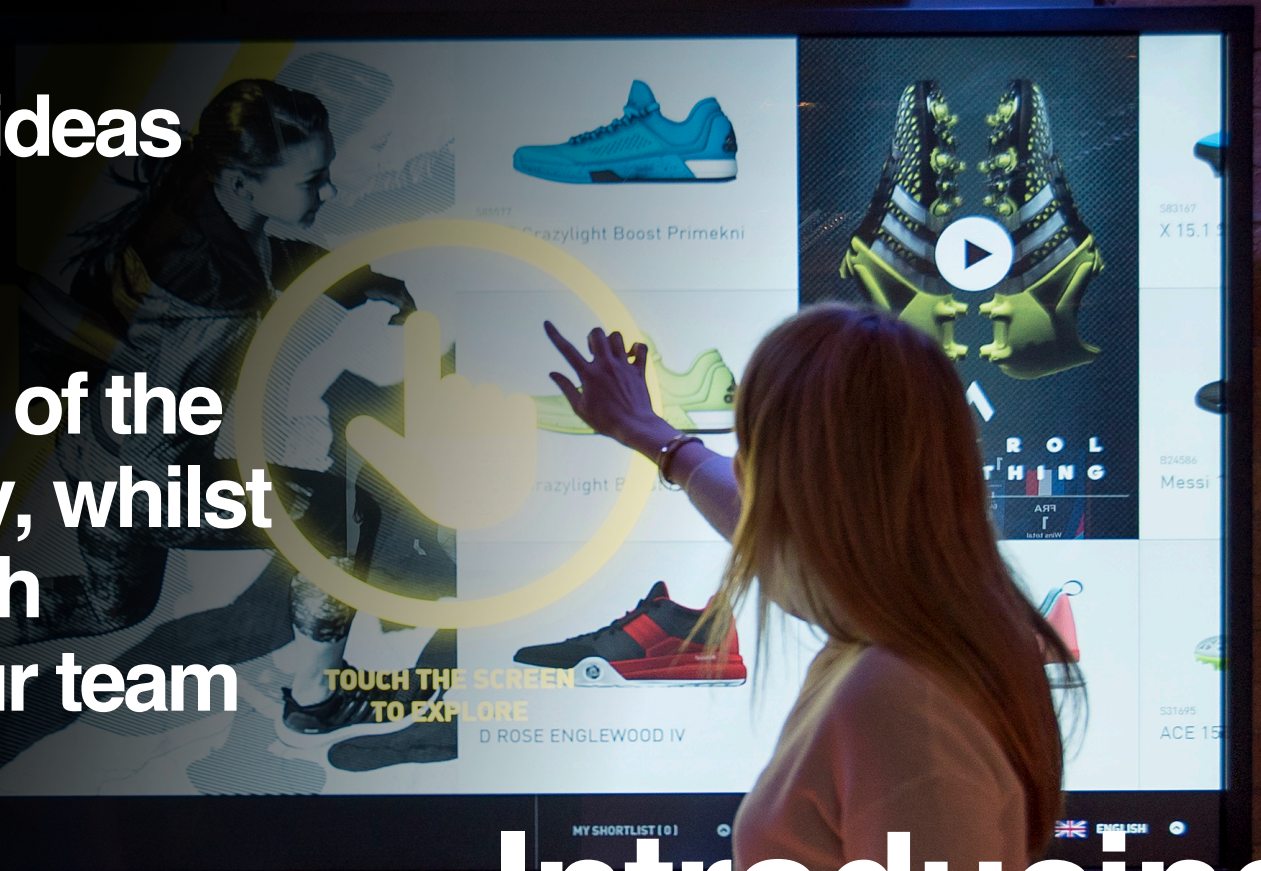

Powered by Engage Works, the Flux Innovation Lounge is a truly unique space that encourages attendees to explore the art of the possible while surrounded by a suite of cutting-edge technologies from some of the most creative and innovative start ups, tech developers and manufacturers in the World.

A woman with long brown hair, wearing a red top, and a man with a beard, wearing a blue shirt, are in a meeting. They are both pointing their right index fingers towards each other. The background is dark and out of focus.

**Excite.
Inspire.
Engage.**

A physical and virtual collaboration space where ideas meet technology, the Flux Innovation Lounge allows attendees to explore the art of the possible; to think differently, whilst working in a technology-rich environment, curated by our team of creative technologists.

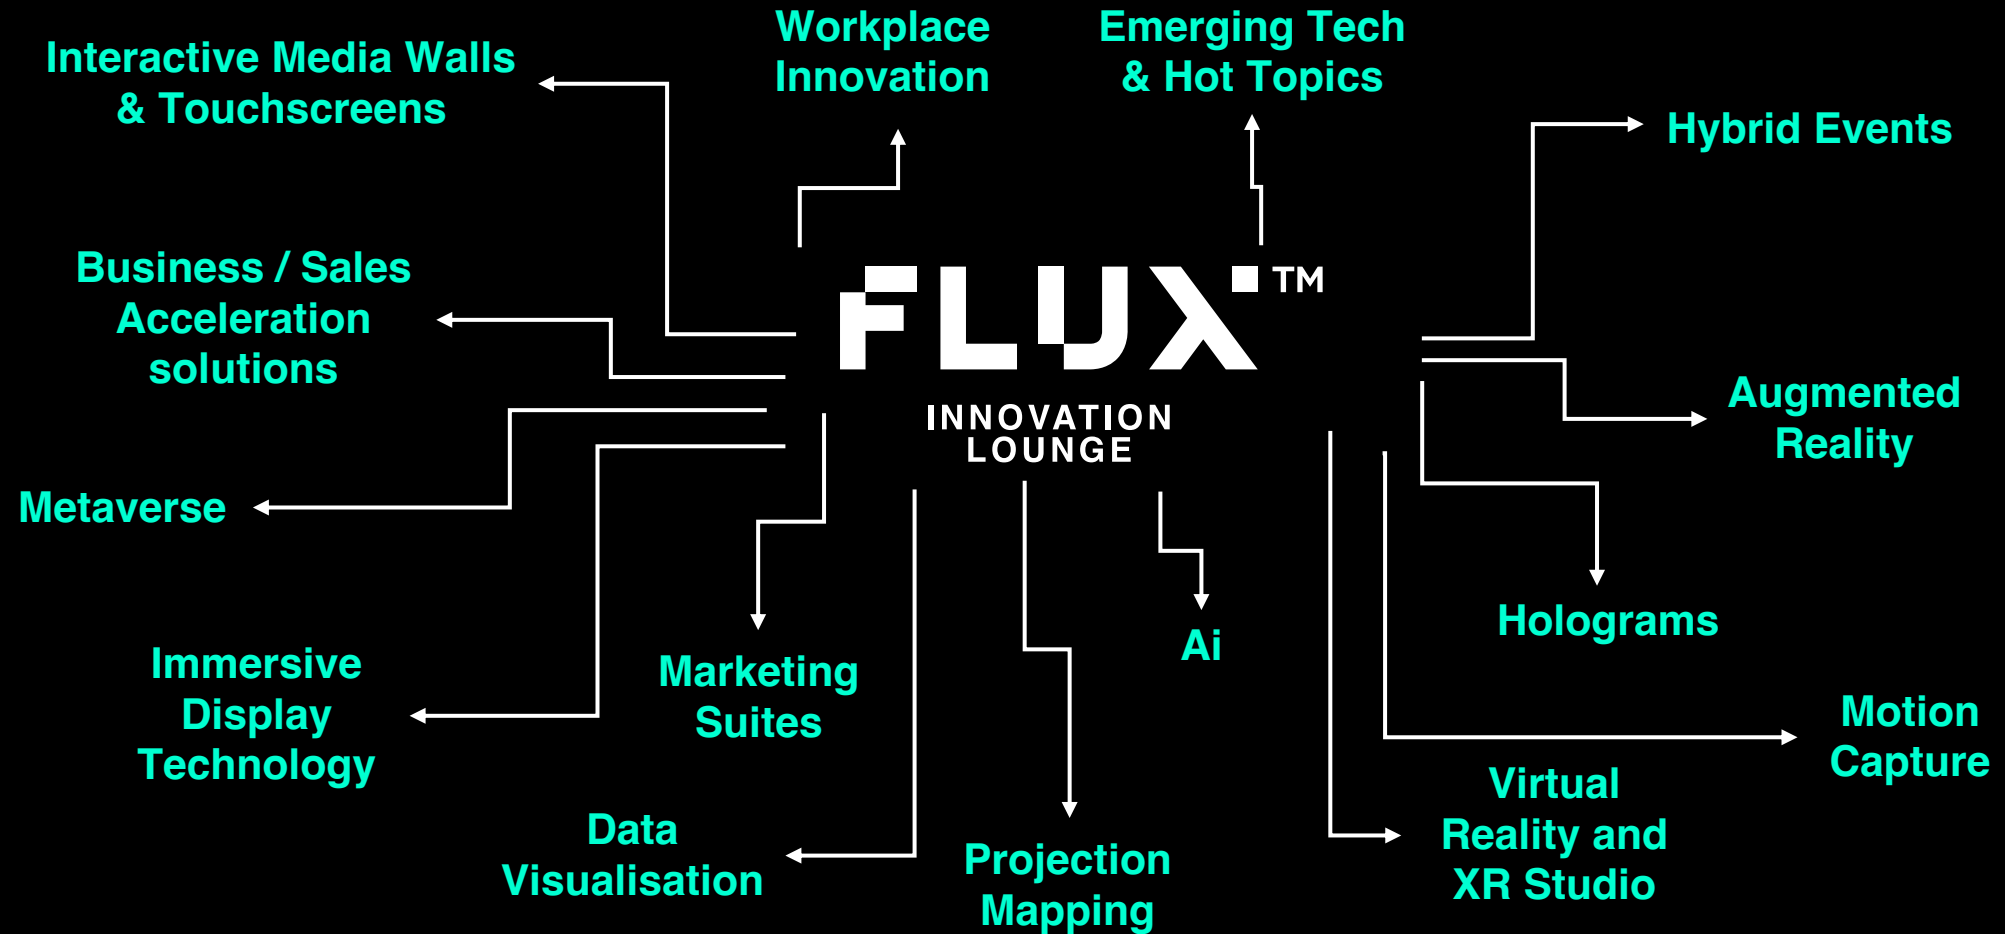

Introducing
Flux

A group of people are gathered around a large, illuminated digital display in a dimly lit event space. A man in a red and white checkered shirt is pointing at the screen, while a woman in a blue denim jacket looks on. Another man in a dark blue t-shirt stands nearby. The background is dark with some blue ambient lighting.

Our unrivalled event space brings content, data and ideas together into a single environment, transforming the way you think. A place to inspire conversation and open minds, the Flux Innovation lounge offers a unique, approachable and informative showcase of technology and brand engagement solutions.

Introducing
Flux

What you will experience...

A woman in a black dress stands on a small stage, addressing a seated audience in a modern, industrial-style venue. The room features exposed ceiling pipes, track lighting, and a large screen in the background displaying a colorful graphic. The audience is diverse and attentive.

‘A space for ideas, Flux is one of London’s most celebrated creative venues.’

— Time Out Magazine

Our **studio and dedicated event space** is located in London's newest design district.

Built for purpose, with **bespoke facilities** and the **ability to upscale** using a variety of dedicated meeting and function spaces, Flux Innovation Lounge is just 8 minutes from London Bridge.

**Greenwich
Design
District**

Flux Innovation Lounge is one of the only places in the world where attendees can experience the future of innovation in business. All of our events can be customised to create a memorable, impactful and personalised experience for you and your guests.

Leading brands, agencies and corporations choose Flux as a space to **excite and inspire**.

Become immersed in **innovation**, encourage creative thinking, and discover new technologies through our events packages that can be personalised to your needs and industry.

Collaboration Workshop

“CoCreate brings content, data and ideas into a single, unique digital environment, accelerating the business process.”

— AV Magazine

What people say...

"For the 2nd year running we chose Flux as the venue is completely unique to London. It blew our client's minds, taking them to a new and exciting world where the future is today. Combined with world-class customer service, I would highly recommend this venue."

Coachmatch

"Flux is an amazing space for gaining insights around the latest tech trends, and a transformative venue to hold workshops & co-creation sessions."

Landor

"The Engage Works team on the ground are very knowledgeable on emerging tech and more importantly - the ability to apply it to business use cases."

Accenture

"We LOVE this venue! Thank you Flux."

Sideways 6, Top 100 start ups of 2018

"Excellent! Very well organised. Great staff."

Microsoft

"Watch this space for an amazing collaboration."

Design Magazine

"Intuitive software and your content, in an inspiring environment makes Flux the place to make good decisions that stick."

EY

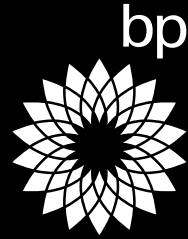

"A hotbed for innovation, insights and technology, Flux as an event space offers businesses the opportunity to experience not only the latest technology solutions to hit the market, but those yet to be released."

AV Magazine

"A futuristic tech hub at the forefront of London's events scene."
